About CIH^{LMU}

Since 2009, the CIH^{LMU} Center for International Health at the hospital of the Ludwig-Maximilians-Universität München (LMU Munich) has offered a platform for all departments within the Medical Faculty of LMU and outside which are involved in international cooperation in medical research education.

The primary objective is to promote and facilitate educational and research activities within low- and middle-income countries (LMIC) in order to establish and enhance a generation of scientists who will be able to contribute to the solution of local and regional development related challenges, particularly in the field of health.
