

CIH^{LMU} One Health

Travel and Accommodation Scholarship 2023

Report

Full Name of Scholarship Recipient

Type of One Health Scholarship

Each CIH^{LMU} One Health Scholarship recipient is expected to submit a scholarship report to the CIH^{LMU} Center for International Health. This report is intended to help you reflect on your achievements during the scholarship period and provide us with feedback on the impact of our scholarships. Furthermore, the report will be used to provide essential feedback to the German Academic Exchange Service (DAAD) and the German Federal Ministry for Economic Cooperation and Development (BMZ), which fund the CIH^{LMU} Center for International Health at the University Hospital, LMU Munich, Germany.

Scholarship Report:

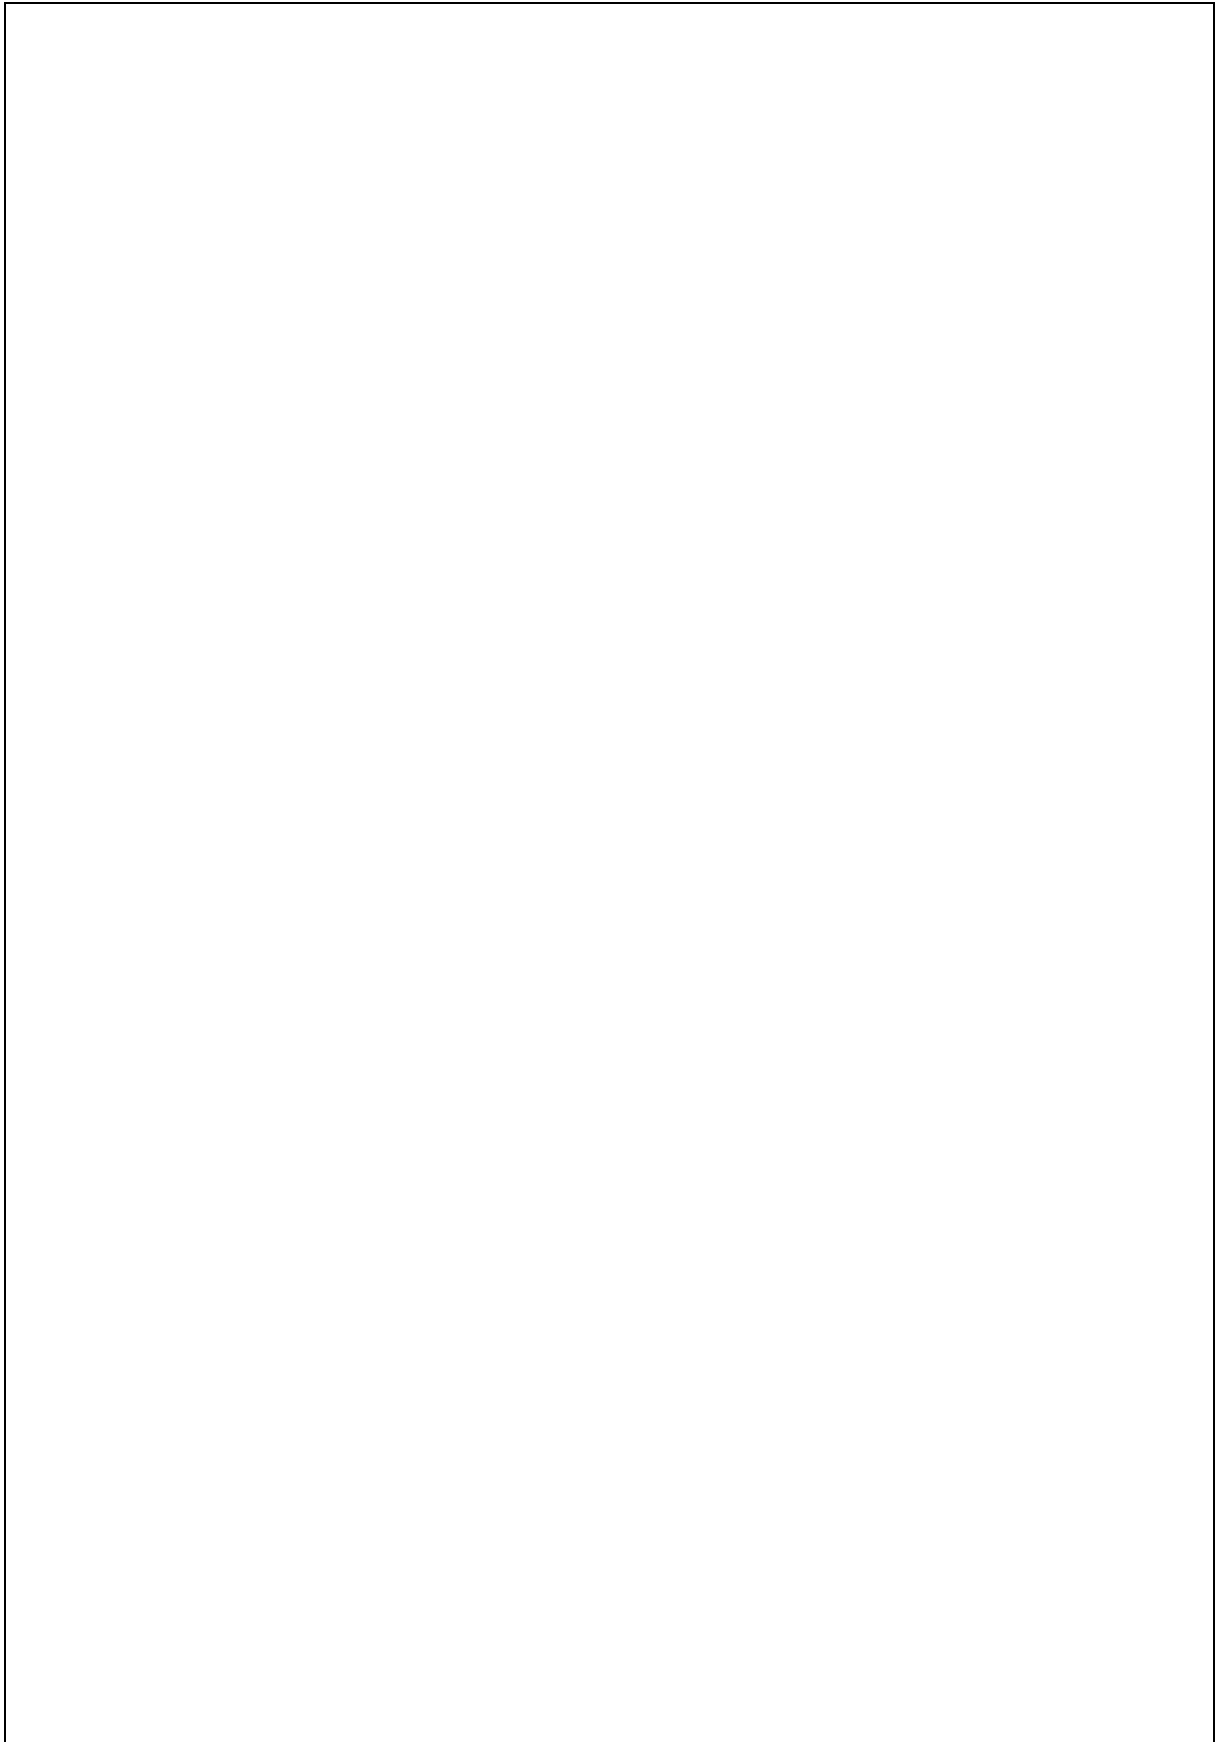

- Please use this template for your scholarship report. Depending on what you used the scholarship(s) for, you will need to complete either the event details or the project details.
- Please submit the report together with all details for the reimbursement. Please note that we will not reimburse your travel and/or accommodation costs until we have received your scholarship report.
- When saving and submitting your report, please name your PDF file as suggested:
YourLastName_ScholarshipReport
- Please submit your scholarship report to ttu@lrz.uni-muenchen.de

Travel Details

Please elaborate on what you have used the travel and/ or accommodation scholarship for. Were you attending a conference/workshop/Module Blocks in Munich? Where you visiting project partners/ supervisors?

Event Details

If you were attending a scientific event (e.g. workshop, conference, Module Blocks in Munich), please outline the topic, the scope and intention of the event. Please also elaborate on your own contribution to the event and tell us how the event supported CIH^{LMU} Center for International Health's overall goal of improving health conditions worldwide by understanding structural health problems caused by the living environment and developing context-specific solutions in a holistic and participatory approach to development cooperation.

is supported by
