Call for Applications: CIH^{LMU} Publication Fee Scholarship

Background:

Current students of the CIH^{LMU}'s educational programs are actively involved in publication writing. In particular, students of the Ph.D. MR – IH program are required to publish their findings in peer-reviewed journals before they can submit their dissertations. Submissions have to be made to listed, peer-reviewed journals (Impact Factor must be available for the previous year), and simultaneously to open-access journals to increase reach of the publications. Many of these journals charge publication fees. To support scientific outreach, CIH^{LMU} is offering this scholarship opportunity to cover these publication fees.

Scholarship Requirements:

Only students currently enrolled in a CIH^{LMU}-owned study program and alumni thereof who graduated no more than 60 months ago at the time of application are eligible. Only publications for which the applying student or alumnus is first or last author, and for which the applicant is rightfully a titular of the CIH^{LMU} affiliation, are eligible. Rightful titulars are enrolled program students for whom the publication is part of the qualification work (e.g. Ph.D. students) and for whom at least one LMU supervisor is listed as a co-author. Rightful titulars are also alumni if the published research work has been supported by CIH^{LMU} or if former LMU supervisors are co-authors and have consented the publication. Only accepted publications will be considered. Only invoiced bills that can be paid directly through bank transfer by CIH^{LMU} can be accepted. In order to pay the invoice, the following address must be indicated:

CIH-LMU Center for International Health
LMU University Hospital Munich
Leopoldstrasse 5
80802 Munich, Germany

How to apply?

Please complete the attached application form. The application form should be supported by the following documents:

- Acceptance letter from the journal
- Manuscript ready for publication
- Currently enrolled students: Consent of an LMU supervisor who is a co-author on the publication
- Alumni: Consent of a CIH^{LMU}-affiliated person who supported the published research work or a former LMU supervisor who is a co-author of the publication

The call will be open from 10 March 2025 until 15 November 2025 and applications should be submitted to the Teaching & Training Unit: ttu@lrz.uni-muenchen.de

Expectation

The affiliation with CIH^{LMU}, the Ludwig Maximilian University (LMU) of Munich or the University Hospital of Munich of the scholarship applicant or a respective co-author should be evident from the manuscript. The CIH^{LMU} Publication Fee Scholarship should be acknowledged in the article published. Please note that the CIH^{LMU} is financially supported by the German Academic Exchange Service (DAAD) and the German Federal Ministry for Economic Cooperation and Development (BMZ).

An example for an acknowledgement of the scholarship could be as follows: "I would like to thank CIH^{LMU}, the German Academic Exchange Service (DAAD) with its exceed program, and the German Federal Ministry for Economic Cooperation and Development (BMZ) for financial support."

In case of questions, please reach out to the Teaching & Training Unit.

With best regards
