Conference Report

Name of Ph.D. Candidate

Title of the conference

Date of the conference

Location of the conference

Official website of the conference

Please estimate the number of participants at the conference

In order to receive the required ECTS credits for attending a conference, the following criteria must be fulfilled:

- Active participation at the conference through a talk or poster presentation.
- The conference needs to be at least of national importance.
- Submission of an individual conference report no later than 14 days after the end of the conference. Please also submit a certificate of attendance.

Participation is at each student's own expense.

Credits: 4 ECTS

Conference Report:

- Please use this template for your conference report and write a minimum of 500 words.
- When saving and submitting your report, please name your PDF file as suggested:
YourLastName_DateOfConference_ConferenceReport
- Please submit your symposium report to cih.phd-documents@lrz.uni-muenchen.de
!!! Please note, only reports that we receive via this E-Mail will be regarded as officially handed in.

Orientation of conference

- ☐ Local
- ☐ National
- ☐ International

Your participation

Please outline in which way you participated in the conference (talk or poster presentation). Please report on how your participation went and include details such as title, exact day/time, questions asked by the audience, etc. Furthermore, please outline the topic and content of what you presented.

Conference Details

Please outline the topic, the scope and intention of the conference. Who was the organizer of the conference?

Other speakers of the Conference

Please give some information on the other speakers and the topics presented at the conference. Please refer only to those parts that you actually attended. In addition, please explain what you learned while attending the respective talks.

Audience of the Conference

Please outline the constitution of the audience: approximate number, countries of origin and their individual backgrounds.

For your future

Please explain if and how the participation was useful for you and your future career.
