# THE FUTURE OF FOOD SYMPOSIUM MUNICH

07 May 2022, online via Zoom

**‘Transforming Food Systems’**

**REGISTER HERE!**

The Future of Food Symposium 2022 offers a full day of presentations by diverse actors and experts from food science and planetary health.

Learn more about the reasons why food systems urgently need to change, listen to and reflect on arguments, and engage in critical discussions. Be inspired by personal, local and global success stories and learn from our experts’ experiences on the path to transforming the global food system.
