

# CIH<sup>LMU</sup> One Health Network Funds 2026/2027

## Call for Proposals

The OH-TARGET (One Health Training and Research Global Network) is funded by the German Federal Ministry for Economic Cooperation and Development (BMZ) and coordinated by the German Academic Exchange Service (DAAD).

The vision and overarching aim of the CIH<sup>LMU</sup> is to empower health professionals. With this vision, CIH<sup>LMU</sup> aspires to meet health-related challenges through capacity building in training and research. Within the OH-TARGET project, our vision has expanded to a more participatory and interdisciplinary approach to improve global health conditions.

## CIH<sup>LMU</sup> One Health Network Funds 2026/2027

Within the OH-TARGET project, the CIH<sup>LMU</sup> aims to strengthen its partners and alumni and to stimulate their collaboration for One Health related research and activities. Therefore, partners and alumni are invited to apply for the One Health Network Funds 2026/2027.

In this call for proposals, applicants are encouraged to emphasize **interdisciplinary One Health aspects** crossing faculty boundaries and to further connect with other partnering institutions and alumni.

CIH<sup>LMU</sup> is issuing this call to allow CIH<sup>LMU</sup> partners, alumni, and members to prepare in a timely fashion project ideas. Applicants, however, have to expect that CIH<sup>LMU</sup> will not receive the necessary funding, which would lead to an overall cancellation of the call. A legal entitlement to funding does not arise from this call.

**The One Health Network Funds will focus on research projects.**

## 1. Eligibility Criteria

### 1.1 Applicants

All personnel at CIH<sup>LMU</sup> and OH-TARGET partner institutions, and CIH<sup>LMU</sup> alumni associated to partner institutions are eligible as **Prime Applicants**.

The CIH<sup>LMU</sup> and OH-TARGET partner institutions are:

- Jimma University (JU), Ethiopia
- University of Cape Coast (UCC), Ghana
- Khesar Gyalpo University of Medical Sciences of Bhutan (KGUMSB), Bhutan
- Patan Academy of Health Sciences (PAHS), Nepal
- Universidad del Rosario (UR), Colombia
- Universidade Federal do Paraná (UFPR), Brazil
- Universidad Mayor, Real y Pontificia de San Francisco Xavier de Chuquisaca (USFX), Bolivia
- Universidad de San Carlos de Guatemala (USAC), Guatemala

- Mbeya Medical Research Centre (MMRC), Tanzania
- Bangladesh University of Health Sciences (BUHS), Bangladesh
- Universidade Catolica de Mocambique, Mozambique

CIH<sup>LMU</sup> alumni are graduates holding a CIH<sup>LMU</sup> Master or PhD degree of the following study programs:

- PhD Medical Research – International Health (LMU)
- MSc in International Occupational Safety and Health (LMU)
- MSc in International Health (LMU)
- MSc Integrated Clinical and Community Mental Health (from Jimma University)
- MSc in Health Professional Education (from Jimma University)

**Staff from other institutions and LMU personnel might be a partner in a project but cannot be the main applicant.**

*In order to encourage international and interdisciplinary teams, we have set up a forum on CIH<sup>LMU</sup> Moodle called **CIH Network Funds 2026-2027**, in which all interested applicants can add their name, institution, field of expertise and contact details to network amongst each other and find suitable partners. Please contact us via [cih-networkfunds@lmu.de](mailto:cih-networkfunds@lmu.de) if you do not have an account on the CIH<sup>LMU</sup> Moodle. The use of this space is voluntary, and it is just to encourage and help potential applicants to network.*

## 1.2 Maximum Number of Applications per Institution

The number of applications per institution is not limited.

## 1.3 Project Duration

Only activities taking place from **1<sup>st</sup> January 2026 until 31<sup>st</sup> July 2027** will be considered eligible. Therefore, it must be feasible to conduct the project within this time frame.

## 1.4 Minimum and Maximum Funding Available per Project

Any grant requested must fall between the minimum amount of **30.000,00 EUR** - and the maximum amount of **40.000,00 EUR** - **for the entire funding period 2026/2027**.

**In the first year of funding 80% of the budget can be spent which is up to 32.000,00 EUR and 20% in the second year of funding for dissemination activities and it is up to 8.000,00 EUR.**

Funds must be administered and spent according to the DAAD regulations (see point 6. Funding). Therefore, each application has to be accompanied by a detailed budget plan according to these DAAD regulations. Please use the CIH<sup>LMU</sup> Budget Template (Document 2) – **only this budget template will be accepted.**

## 1.5 Prime Applicant and Responsibilities

Within the project application, the prime applicant and the responsibilities of the project staff must be clearly defined. Assigning specific names to specific roles in the application is highly recommended in order to be able to set up the contracts in the very beginning of the project.

The prime applicant should be the responsible person for the overall coordination of the project activities, as well as for the budget plan and spending. If the project application is successful and the project receives the funds from CIH<sup>LMU</sup>, the prime applicant will be the responsible person for complying with the regulations described in this call and in the cooperation agreement.

## 1.6 Language

Only proposals written in English are eligible.

## 1.7 Priority Topics

Project proposals have to be related to One Health, be interdisciplinary and international. For a better understanding of One Health within the OH-TARGET project, applicants are encouraged to visit the CIH<sup>LMU</sup> website: [One Health | Center for International Health \(CIHLMU\)](https://www.cihlmu.de)

**Each research project is expected to publish at least one article in an international journal and implement at least one activity to disseminate results to non-academic actors.**

## 2. Timeline

Deadline for the submission of project proposals	<b>15<sup>th</sup> October 2025</b>
Project review period	<b>15<sup>th</sup> October - 30<sup>th</sup> November 2025</b>
Information to applicants	<b>December 2025</b>
Preparation of Cooperation Agreement and other necessary documents	<b>December 2025</b>
Start of Project Period	<b>1<sup>st</sup> January 2026</b>
End of Project Period	<b>31<sup>st</sup> July 2027</b>
Mid-term report	<b>30<sup>th</sup> November 2026</b>
Final report to CIH <sup>LMU</sup>	<b>15<sup>th</sup> August 2027</b>

## 3. Reporting

For all selected projects, two project reports are required:

1. A mid-term report by the **30<sup>th</sup> of November 2026**, including a detailed overview of all expenses for the year 2026.
2. A final and comprehensive report to be submitted **by 15<sup>th</sup> August 2027**, including a detailed overview of all expenses for both years divided by year.

For both reports a template will be provided by CIH<sup>LMU</sup> Office to the awarded applicants.

## 4. Proposal Structure and Word Count

A maximum word count of **6 pages** (approx. 2000 words) per proposal is permitted (Font: Arial ≥10). Longer proposals will be excluded from evaluation. **Proposals must be submitted in English. Proposals missing any of these formal criteria will be excluded from evaluation.**

The proposals need to be structured in the following way:

Cover Page	<ul style="list-style-type: none"> <li>✓ Title of the project</li> <li>✓ Short title of the project (if applicable)</li> <li>✓ Name and Institution of Prime Applicant</li> <li>✓ Names and Institutions of Co-applicants</li> <li>✓ Date of submission</li> </ul>
Page 1:	<ul style="list-style-type: none"> <li>✓ Short description of the project idea</li> <li>✓ One Health relevance</li> </ul>
Page 2:	Experience of the applicants in the field
Pages 3-6:	Project specification <ul style="list-style-type: none"> <li>✓ Background</li> <li>✓ Objectives</li> <li>✓ Research / teaching methods</li> <li>✓ Ethical consideration and ethics boards to which the project will be presented</li> <li>✓ Description of project activities (workplan)</li> <li>✓ Consumables to be purchased (items and sources clarified)</li> <li>✓ Short profile of the working group &amp; description of personnel tasks</li> <li>✓ Cooperation with other units (if applicable)</li> <li>✓ Timeline of the project</li> <li>✓ References (if applicable)</li> </ul>
Annex 1:	Required funding with detailed explanation (excel table provided by the CIH <sup>LMU</sup> ) as an extra file in editable excel format (not pdf!). <b>Each project budget plan will have to be divided into 2026 and 2027.</b> <b>It is required to use the CIH<sup>LMU</sup> Budget Template (Document 2).</b>
Annex 2:	CV of new partners applicants including publications and third-party funds (max. 2 pages each)

## 5. Selection Criteria

Only projects fulfilling the eligibility criteria and the formal requirements are eligible for review. Eligibility will be checked by CIH<sup>LMU</sup> Office in Munich.

### 5.1. Evaluation Process

Alumni and representatives of the partner universities will review the proposals in pairs, with one reviewer from the same region as the main applicant and one from another region. Likewise, reviewers will cover different disciplines. The review board, which will make the final decision, will consist of the leaders of the One Health competence centers, one alumni

representative, and one member of the CIH board at LMU hospital, Munich, each having one vote. The Munich office will coordinate the selection process.

#### 5.1.1.1 Criteria of Scientific and Technical Quality

- Scientific excellence
- Relevance of the project to One Health
- Interdisciplinarity of the project
- Contribution to Sustainable Development Goals
- Inclusion at least one other faculties/disciplines besides human health as research partner
- Feasibility of project within the time frame
- Description of suitable tools and methods
- Potential to strengthen South-South partnerships
- Number of partner institutions and alumni involved (minimum requirement: 2 from two different countries)
- Potential of the project to generate relevant evidence and scientific output

#### 5.1.2.1 Management and Budget Criteria

- Number of faculties/disciplines involved
- Clarity on roles and responsibilities of members and institutions, clear cut management structure
- Local sourcing of consumables and equipment whenever possible
- Compliance with the DAAD funding criteria

The range of awardable grades for each item is as follows:

3: excellent	2: average	1: below	0: not available
--------------	------------	----------	------------------

An average score will be calculated.

#### 5.1.3 Notification to the Selected Projects

Selected projects will be announced in **December 2025**.

#### 5.1.4 Cooperation Agreement / Contract

Following the selection of projects to be funded, the beneficiaries will be requested to sign a Cooperation Agreement. The Cooperation Agreement describes the CIH<sup>LMU</sup> /DAAD main terms and requirements of the funding, identifies the contact person, details of the reporting requirements, duties and responsibilities. In addition, the cooperation agreement clarifies the financial conditions for each project.

## 6. Funding

According to the DAAD regulations, the following criteria apply:

### 6.1 Project Specific Staff

Project specific staff might be employed via a service agreement with CIH<sup>LMU</sup>. The role of each project member must be clearly described. No funds for staff directly employed at the partner institutions are available.

**Remuneration needs to be adapted to local customary remuneration.**

### 6.2 Remuneration for External Experts

External experts (e.g., for events, conferences, workshops etc.) might be remunerated for their contribution via a service agreement or speaker's contract with CIH<sup>LMU</sup> only (max. of 250€/day). External experts exclude any personnel from the applying institution and any alumni that might be part of the project staff.

Please note that remuneration needs to be adapted **to local customary remuneration**.

### 6.3 Consumables/Equipment

- **Consumables** (e.g. test tubes, paper, etc.)
- **Assets** (e.g., computers, data carriers, licenses and software). Small equipment can be purchased as part of the network work to better equip the partner universities abroad. The prerequisite for this is that subsequent expenditure can be demonstrably borne by them.
- **Printing/publications/advertising and public relations** (e.g., flyers, brochures, posters; in the online area (e.g., development, establishment and maintenance of communication and learning platforms, internet presences, e-journals, online libraries, scientific publications)
- **External services** (e.g., catering, coach travel, repair services, IT services, professional and cultural supporting program for events)
- **Other** (e.g., expenses for entrance tickets for excursions, museum visits, payment of participation fees for conferences, contribution to insurance, visa fees, necessary vaccinations and malaria prophylaxis, fees for money transfers abroad)

**Remark:** Please note that consumables and equipment should be sourced **locally** whenever possible. Purchases through CIH<sup>LMU</sup> are permitted only if the items are unavailable locally or if other restrictions apply.

## 6.4 Travel and Accommodation Expenses

### 6.4.1 Travel Expenses

Expenses for personnel of the grant recipient for travel/flights can be applied for and claimed in accordance with the Bavarian State Law on Travel Remuneration (BRKG/LRKG); only 2nd class rail travel and economy class air travel are funded. Expenses for project personnel of the foreign partner university for travel and flights can be claimed in accordance with the principles of economic efficiency and economy.

### 6.4.2 Accommodation

Expenses for personnel of the grant recipient for the stay (accommodation and meals) can be applied for and claimed in accordance with BRKG/LRKG. Expenses for project staff of the foreign partner university for accommodation (overnight stay and meals) can be claimed in accordance with the principles of economic efficiency and economy.

## 6.5 Non-Eligible Costs

- Any other costs not mentioned in 6.1 to 6.4 are not eligible
- Alcohol
- Gifts
- Tips
- Cancellation fees (e.g., accommodation, flights etc.)

## 6.6 Payment Regulations

For **personnel costs**:

All contracts for project specific staff and speakers will be made directly by CIH<sup>LMU</sup> to the specific person via bank transfer.

For all **consumables and travel/accommodation expenses**, there are two options:

- The prime applicant/project staff advances the payments and asks CIH<sup>LMU</sup> for reimbursement. The regulations for reimbursements will be specified in the Cooperation Agreement and in the DAAD Funding Regulations.
- Direct payment via the CIH<sup>LMU</sup> Office in Munich upon receiving a valid invoice and all necessary payment details

## 7 Submission

Please submit your complete project proposal in pdf no later than the **15<sup>th</sup> of October** via email to: [cih-networkfunds@lmu.de](mailto:cih-networkfunds@lmu.de)

## 8 Contact

For questions concerning the submission and evaluation procedure, please contact:  
[cih-networkfunds@lmu.de](mailto:cih-networkfunds@lmu.de)
