

## Call for Applications – Research Assistant:

### “Knowledge, attitudes, and practices towards the risk of zoonotic diseases, wildlife trade and wildlife consumption in Latin America” („KAP wildlife“)

#### 1. Position

<b>Project</b>	<b>KAP wildlife - Chile</b>
<b>Principal investigator</b>	Dra. María Teresa Solís Soto

The research assistant for the project "Knowledge, attitudes, and practices towards the risk of zoonotic diseases, wildlife trade, and wildlife consumption in Latin America" ("KAP-Study wildlife") is expected to be an active participant in the research process. This involves activities related to literature review, synthesis and analysis of collected information, as well as coordination of field activities for the development and implementation of educational strategies. Additionally, the assistant should coordinate activities with key stakeholders in the region associated with the subject matter. The position offers the opportunity to be part of an international research team, providing experience in both research and interdisciplinary work. The role is expected to involve tasks with a high level of commitment.

#### 2. Task description

- Review and synthesis of literature on the subject in Chile
- Synthesis and analysis of the collected information (especially the qualitative component of the project)
- Coordinator for the design and on-site implementation of the educational interventions of the project
- On-site coordination with local stakeholders
- Support in administrative management

#### 3. Contract period

Starting from March 11, 2024, for a period of 5 months (Approximately 20 hours per week workload is considered).

#### 4. Requirements

<b>profession</b>	Scientific professional
<b>Necessary experience</b>	Experience related to the project's theme and qualitative analysis.
<b>Other requirements</b>	<ul style="list-style-type: none"><li>• Availability of time for work and participation in team learning</li><li>• Fluently speaking Spanish</li></ul>

Individuals interested in applying should send a **letter of intent** along with their **updated CV** to the email: [mariateresa.solis@uoh.cl](mailto:mariateresa.solis@uoh.cl).

The required documents must be submitted with the subject line: "KAP-Wildlife Project Chile Call of Applications." Applications that do not meet the specified requirements will not be considered. The deadline for applications is March 5, 2024. Pre-selected individuals will be contacted for an interview.
